

New Consultation or Consultation 12-months since the last consultation:

\$250 (Medicare will reimburse part of the cost)

Aged-pensioners bulk-billed

New TeleHealth consultations bulk-billed

Follow-up consultation (within 12 months of the date of the referred consultation):

\$150 (Medicare will reimburse part of this cost)

Aged-pensioners bulk-billed

Follow-up TeleHealth consultations bulk-billed

Patients admitted through the public hospital as an emergency and coming to see Dr Ong for the first time in the rooms are considered as a "follow-up consultation".

(Patients with private insurance)

Out-of-pocket costs for surgical procedures at a private hospital:

Gastroscopy: No-gap (ie. procedure is fully covered by your fund)

Colonoscopy: No-gap

DVA patients: No-gap

Cholecystectomy: AMA (Australian Medical Association) schedule

Routine hernia repair: AMA

Routine breast surgery: AMA

Routine endocrine surgery: AMA

Complex breast surgery, thyroid surgery or hernia repairs: varies depending on the complexity of the procedure and estimated time of procedure and post-operative care.

A guide and financial consent for patients with private-insurance requiring surgery will be provided at the time of consultation.
